RE: Extension for case #S-20926a-15-0116

Dear Judge Preny,

This letter is to ask you to extend our date for turning in our witness list and other paperwork from September 3 until September 18. My attorney is out of town until the eighth of September.

I spoke to Mr. Ryan Millican from the state and he has agreed to go along with the extension as long as it does not go beyond the 18th of September. I have written a letter to Mr. Bjerken but have not heard back from him as of yet. Thank you for your consideration in this matter.

Respectfully,

Marty O'Malley
